

# KJFP4545xPEF

Flat faceplate 1 or 2 ports 45x45

## UNIK ✓

- ✓ Keystone attachment
- ✓ Integrated dust cover
- ✓ Built-in marking/labelling flapping

## UNDERSTAND THE PURPOSE

The 45mm x 45mm snap-on faceplate, with 1 or 2 Keystone ports, is a versatile solution for various installations. It features a spring-loaded «guillotine» type dust cover and a rotating translucent label holder.

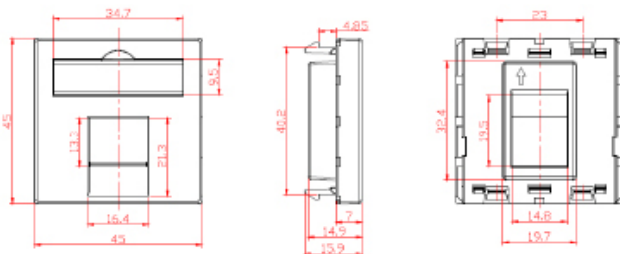

The compact design, only 15.9mm in depth (including the dust cover), adheres to the Keystone format ensuring compatibility with all market accessories.

## DISCOVER THE STRUCTURE
