

# KJP1UBCEF

Patch panel 19 inches 1U 24 ports RJ45 Keystones user-friendly fixture

## UNIK ✓

- Elegant and unique design
- Front automatic grounding
- Label holders for fast identification
- Integrated rear support bar
- User-friendly fixture system

## UNDERSTAND THE PURPOSE

This 19-inch patch panel is designed for optimal organization and installation, offering integrated label holders with plastic protection and a rear support bar.

It houses 24 Keystone jacks, either shielded or unshielded, enabling versatile network configurations. Safety is prioritized through an automatic grounding feature, facilitated by a galvanized front plate that contacts the rack. The panel's durability is ensured with high-quality materials, promising reliable service over time.

Furthermore, user-friendly fixture system with pre-cutted holding holes

## DISCOVER THE STRUCTURE
