

# KSBRUSHEF

19 inches cable management 1U with brush

## UNIK ✓

- ✓ Facilitate routing for cables
- ✓ Direct and optimize airflow of cabinets
- ✓ Screws and cage nuts included

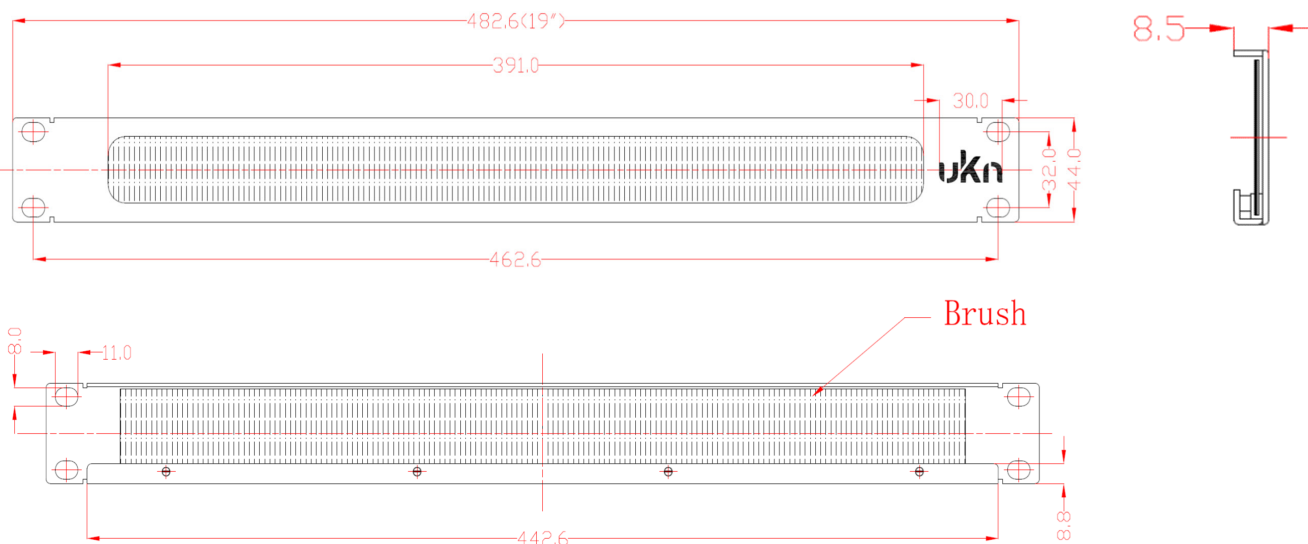

## UNDERSTAND THE PURPOSE

This 1U brush panel enhances the visual appeal of cabinets and facilitates patch cord routing. With a stylish design, it provides a designated route for cables and protects against dust ingress. Furthermore, it optimizes airflow within racks and cabinets, substantially improving efficiency and circulation.
