

# KJPP1UBMCTEF

19-inch 1U patch panel full metal with 24 RJ45 Keystone Ports  
Automatic grounding and pre-cut mounting slots

- ✓ Elegant and minimalist design.
- ✓ Automatic grounding at the front and grounding connection for shielded connectors.
- ✓ Quick identification with silk screen.
- ✓ Rear support bar with secure attachment in T shape.
- ✓ Pre-cut 19-inch mounting slots for quick one-hand installation.

## THE PURPOSE

19-inch patch panel with rear support bar. Designed to accommodate 24 shielded or unshielded Keystone jacks. The galvanized front plate ensures automatic grounding through its contact with the rack upon installation.

Made with high-quality materials to ensure reliability over years of use.

Identification is facilitated by silk-screened numbers from 1 to 24.

## THE STRUCTURE

**Dimensions :** (L)482mm x (l)43.8mm x (P)90.5mm

**Material :** Steel and galvanized steel
