## **KJPP1UBCANEF** 19-inch 1U V- SHAPE patch panel with 24 RJ45 Keystone Ports

19-inch 10 V- SHAPE patch panel with 24 RJ45 Keystone Por Automatic grounding and pre-cut mounting slots

Selegant and minimalist design.

- Automatic grounding at the front and grounding connection for shielded connectors.
- Integrated polycarbonate label holders foir quick identification.
- Rear support bar with secure attachment.
- Pre-cut 19-inch mounting slots for quick one-hand installation.

### THE PURPOSE

The Unikkern V-SHAPE 24 ports offers an excellent solution for high density applications. Throught the lateral shape, you can easily manage 12 patch cords from each sides avoiding cable management.

Made with high-quality materials to ensure reliability over years of use.

Identification is facilited by labels or silk-screened numbers from 1 to 24.

## THE STRUCTURE

#### **Dimensions** : (L)476mm x (l)44mm x (P)235mm

Material : Steel and galvanized steel
