

KJPP1UBCTEF

19-inch 1U patch panel with 24 RJ45 Keystone Ports
Automatic grounding and pre-cut mounting slots

- ✓ Elegant and minimalist design.
- ✓ Automatic grounding at the front and grounding connection for shielded connectors.
- ✓ Integrated polycarbonate label holders for quick identification.
- ✓ Rear support bar with secure attachment.
- ✓ Pre-cut 19-inch mounting slots for quick one-hand installation.

THE PURPOSE

19-inch patch panel with integrated label holders and rear support bar. Designed to accommodate 24 shielded or unshielded Keystone jacks.

The galvanized front plate ensures automatic grounding through its contact with the rack upon installation.

Made with high-quality materials to ensure reliability over years of use.

Identification is facilitated by labels or silk-screened numbers from 1 to 24.

THE STRUCTURE

Dimensions : (L)482mm x (l)43.8mm x (P)90.5mm

Material : Steel and galvanized steel
