

KSCMPOxxLCDOxx

LC Duplex MPO cassette for density fiber optic patch panel

UNIK ✓

- ✓ High density connectivity
- ✓ Plug and play installation
- ✓ Durable construction
- ✓ Scalable solution

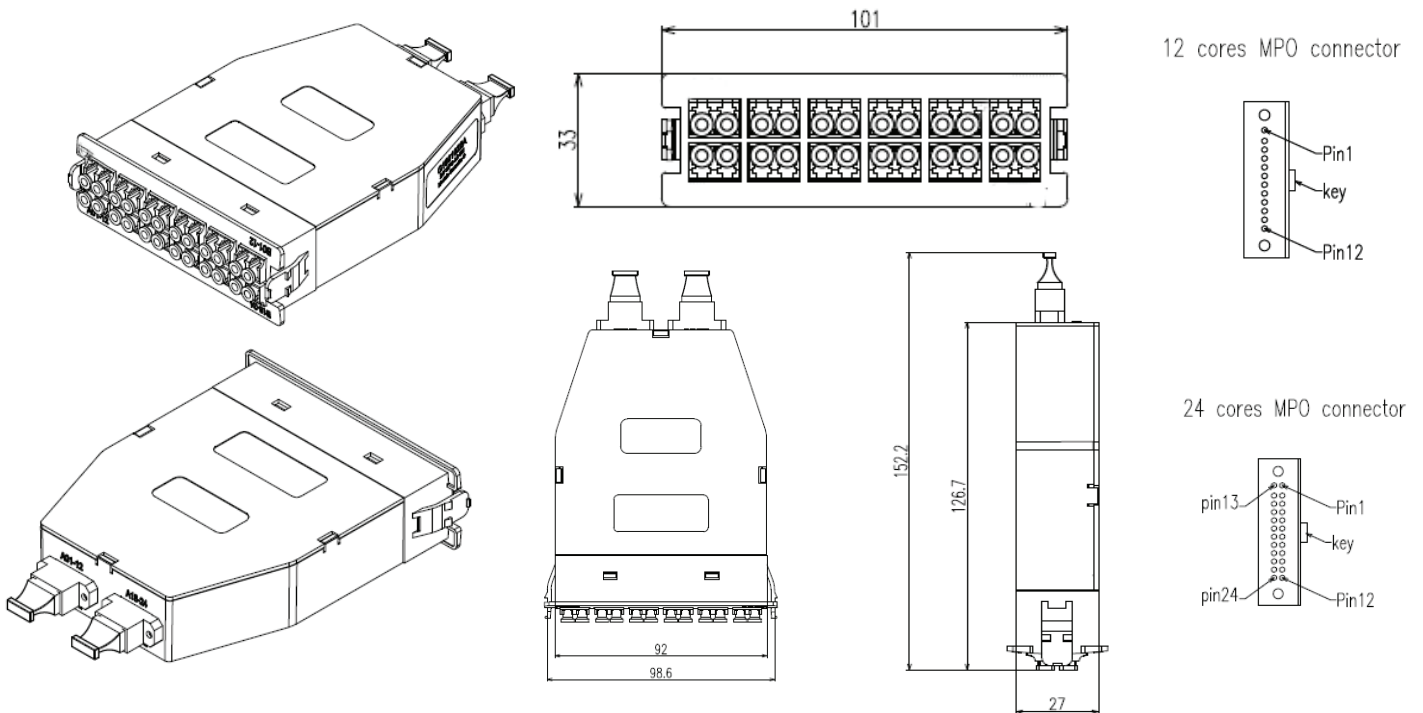

THE PURPOSE

Unikkern MPO cassettes within its high-density fiber optic patch panels offers a streamlined approach to managing complex network infrastructures. These cassettes serve as modular components that facilitate the efficient organization and interconnection of multiple optical fibers.

This modularity not only simplifies installation and maintenance but also provides scalability, allowing for seamless network expansions as organizational needs evolve.

Incorporating MPO cassettes into high-density patch panels thus provides a practical solution for achieving organized, efficient and scalable fiber optic network management.

THE STRUCTURE

KSCMPOxxLCDOxx

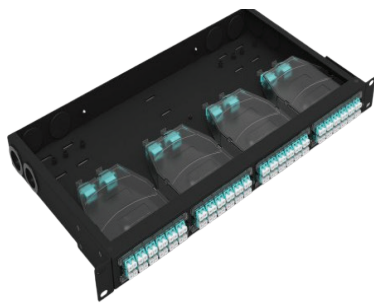

LC Duplex MPO cassette for density fiber optic patch panel

PURCHASE INFO

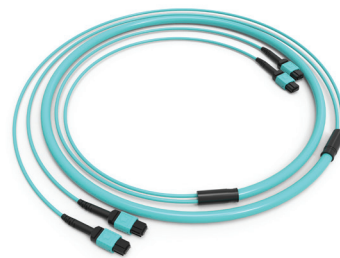

Item	Designation	Packing
KSCMPO12LCDOM3	Cassette MPO 12LC Duplex OM3	Eco box of 1pc
KSCMPO12LCDOM4	Cassette MPO 12LC Duplex OM4	Eco box of 1pc
KSCMPO24LCDOM3	Cassette MPO 24LC Duplex OM3	Eco box of 1pc
KSCMPO24LCDOM4	Cassette MPO 24LC Duplex OM4	Eco box of 1pc
